

Analog  
photography

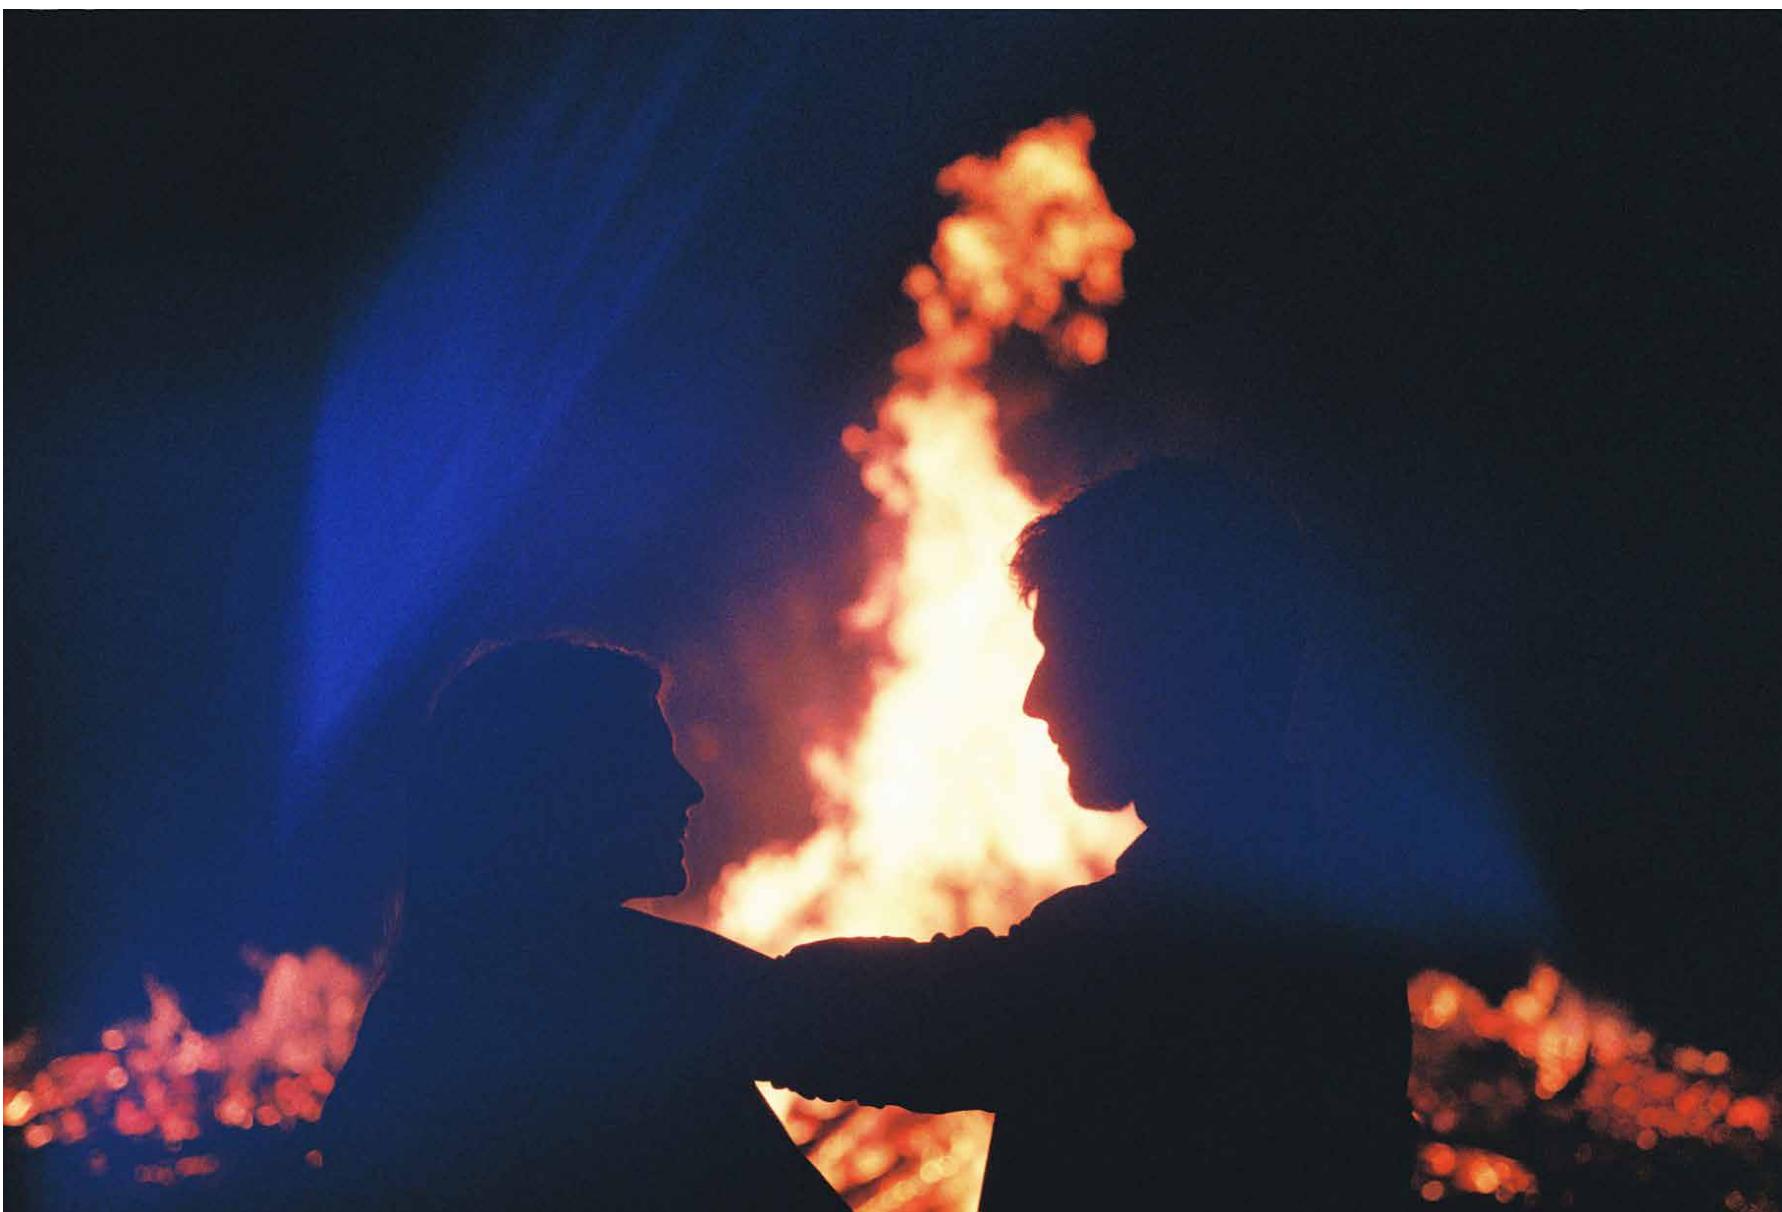

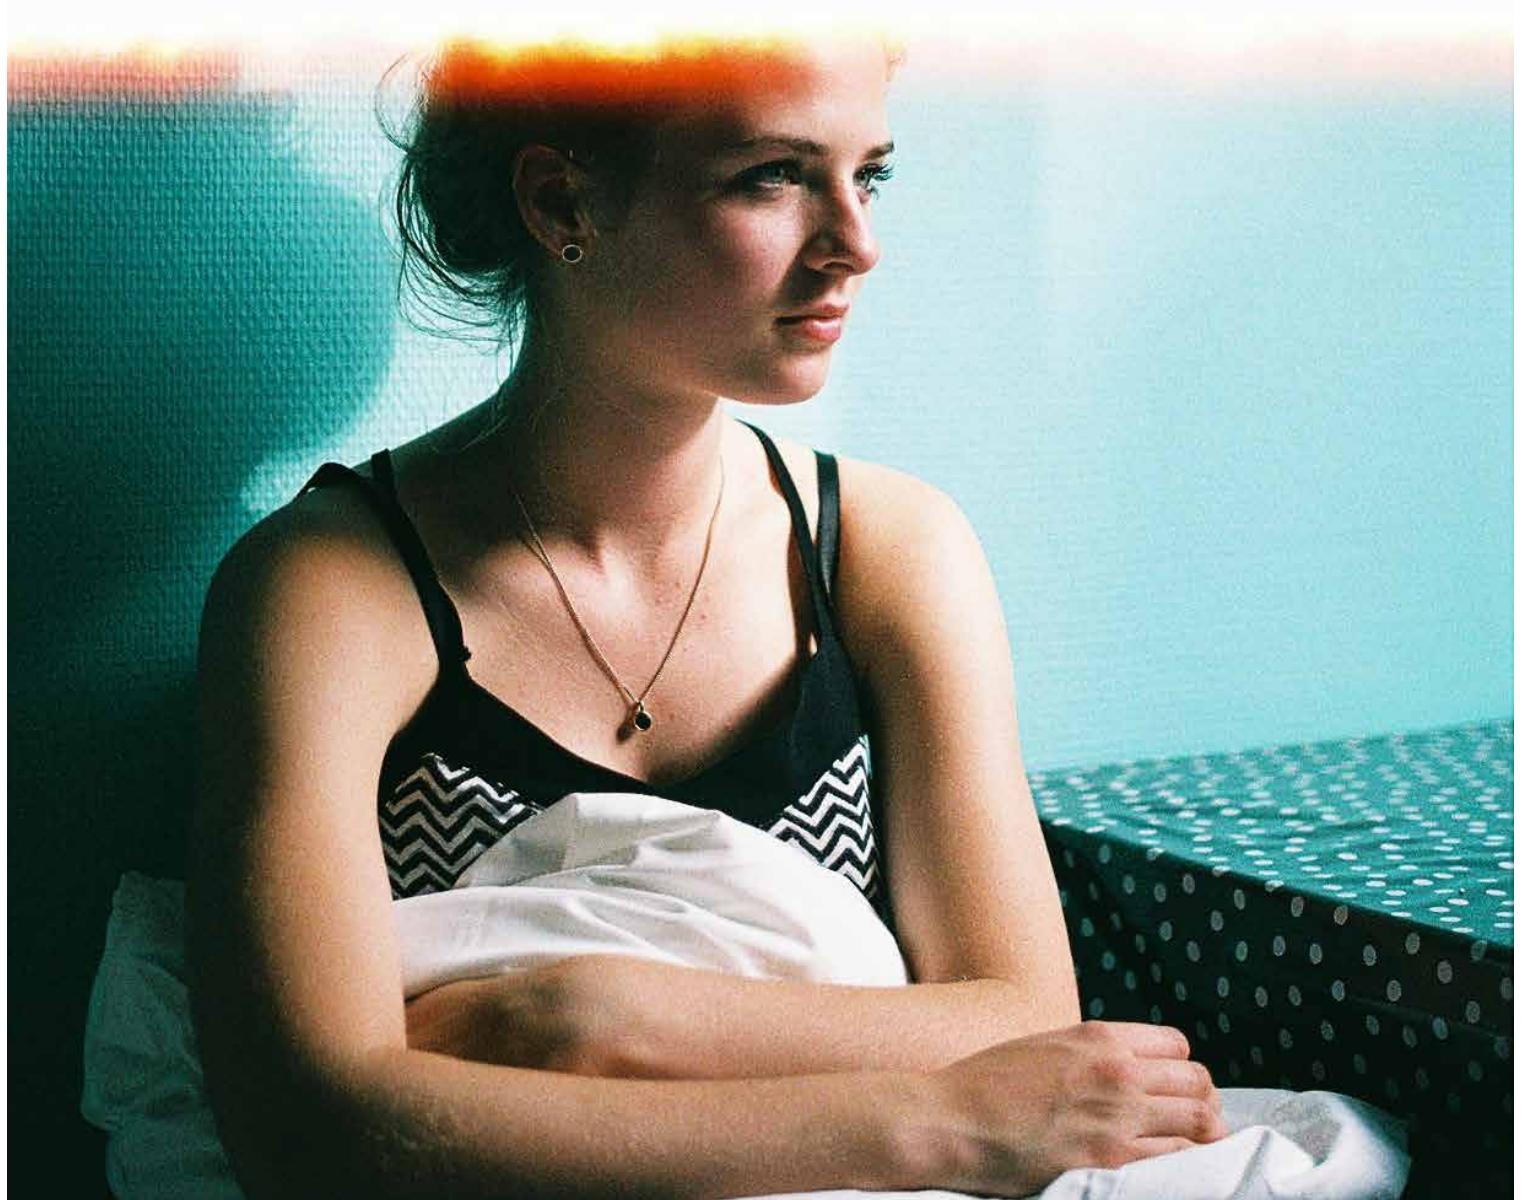

**What analog photography means to me**

# authenticity

# experiment

# moment of surprise

# **Basics of analog photography**

# Choose your camera

35 mm camera

Medium format camera

# Choose your film

# Use exposure meter

# How I started to use analog camera

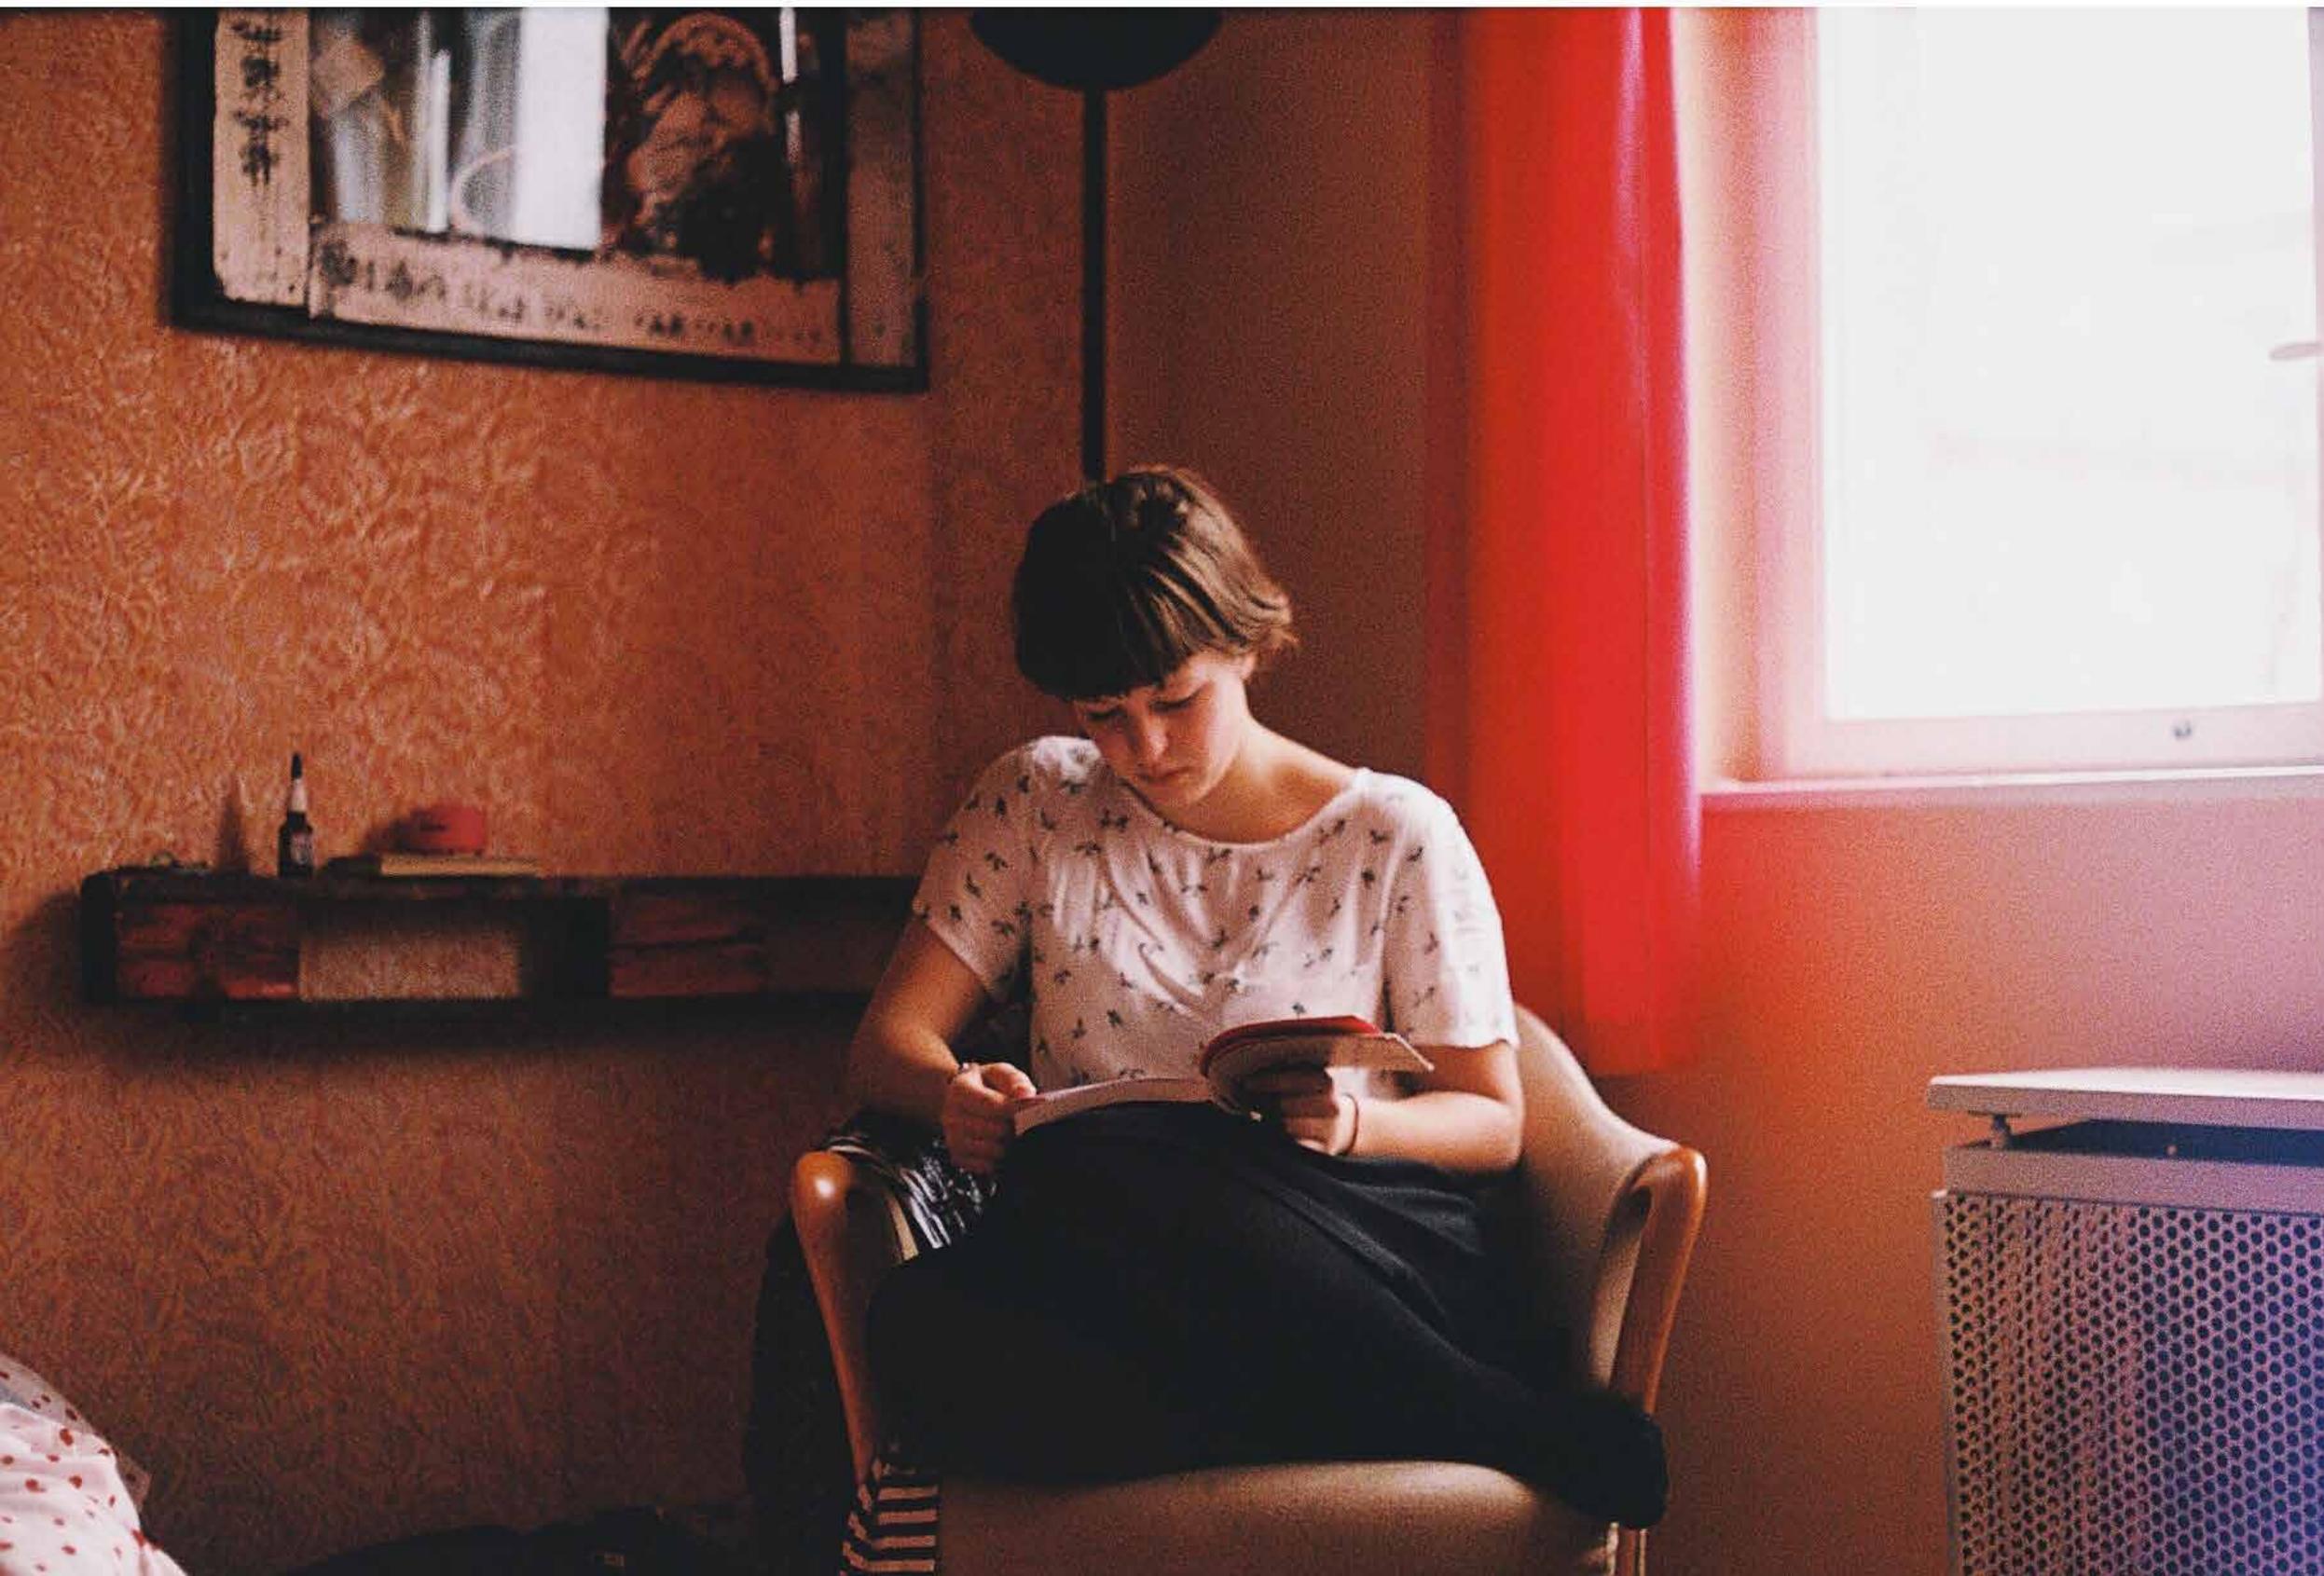

# My first analog camera

# How the analog helped me get to university

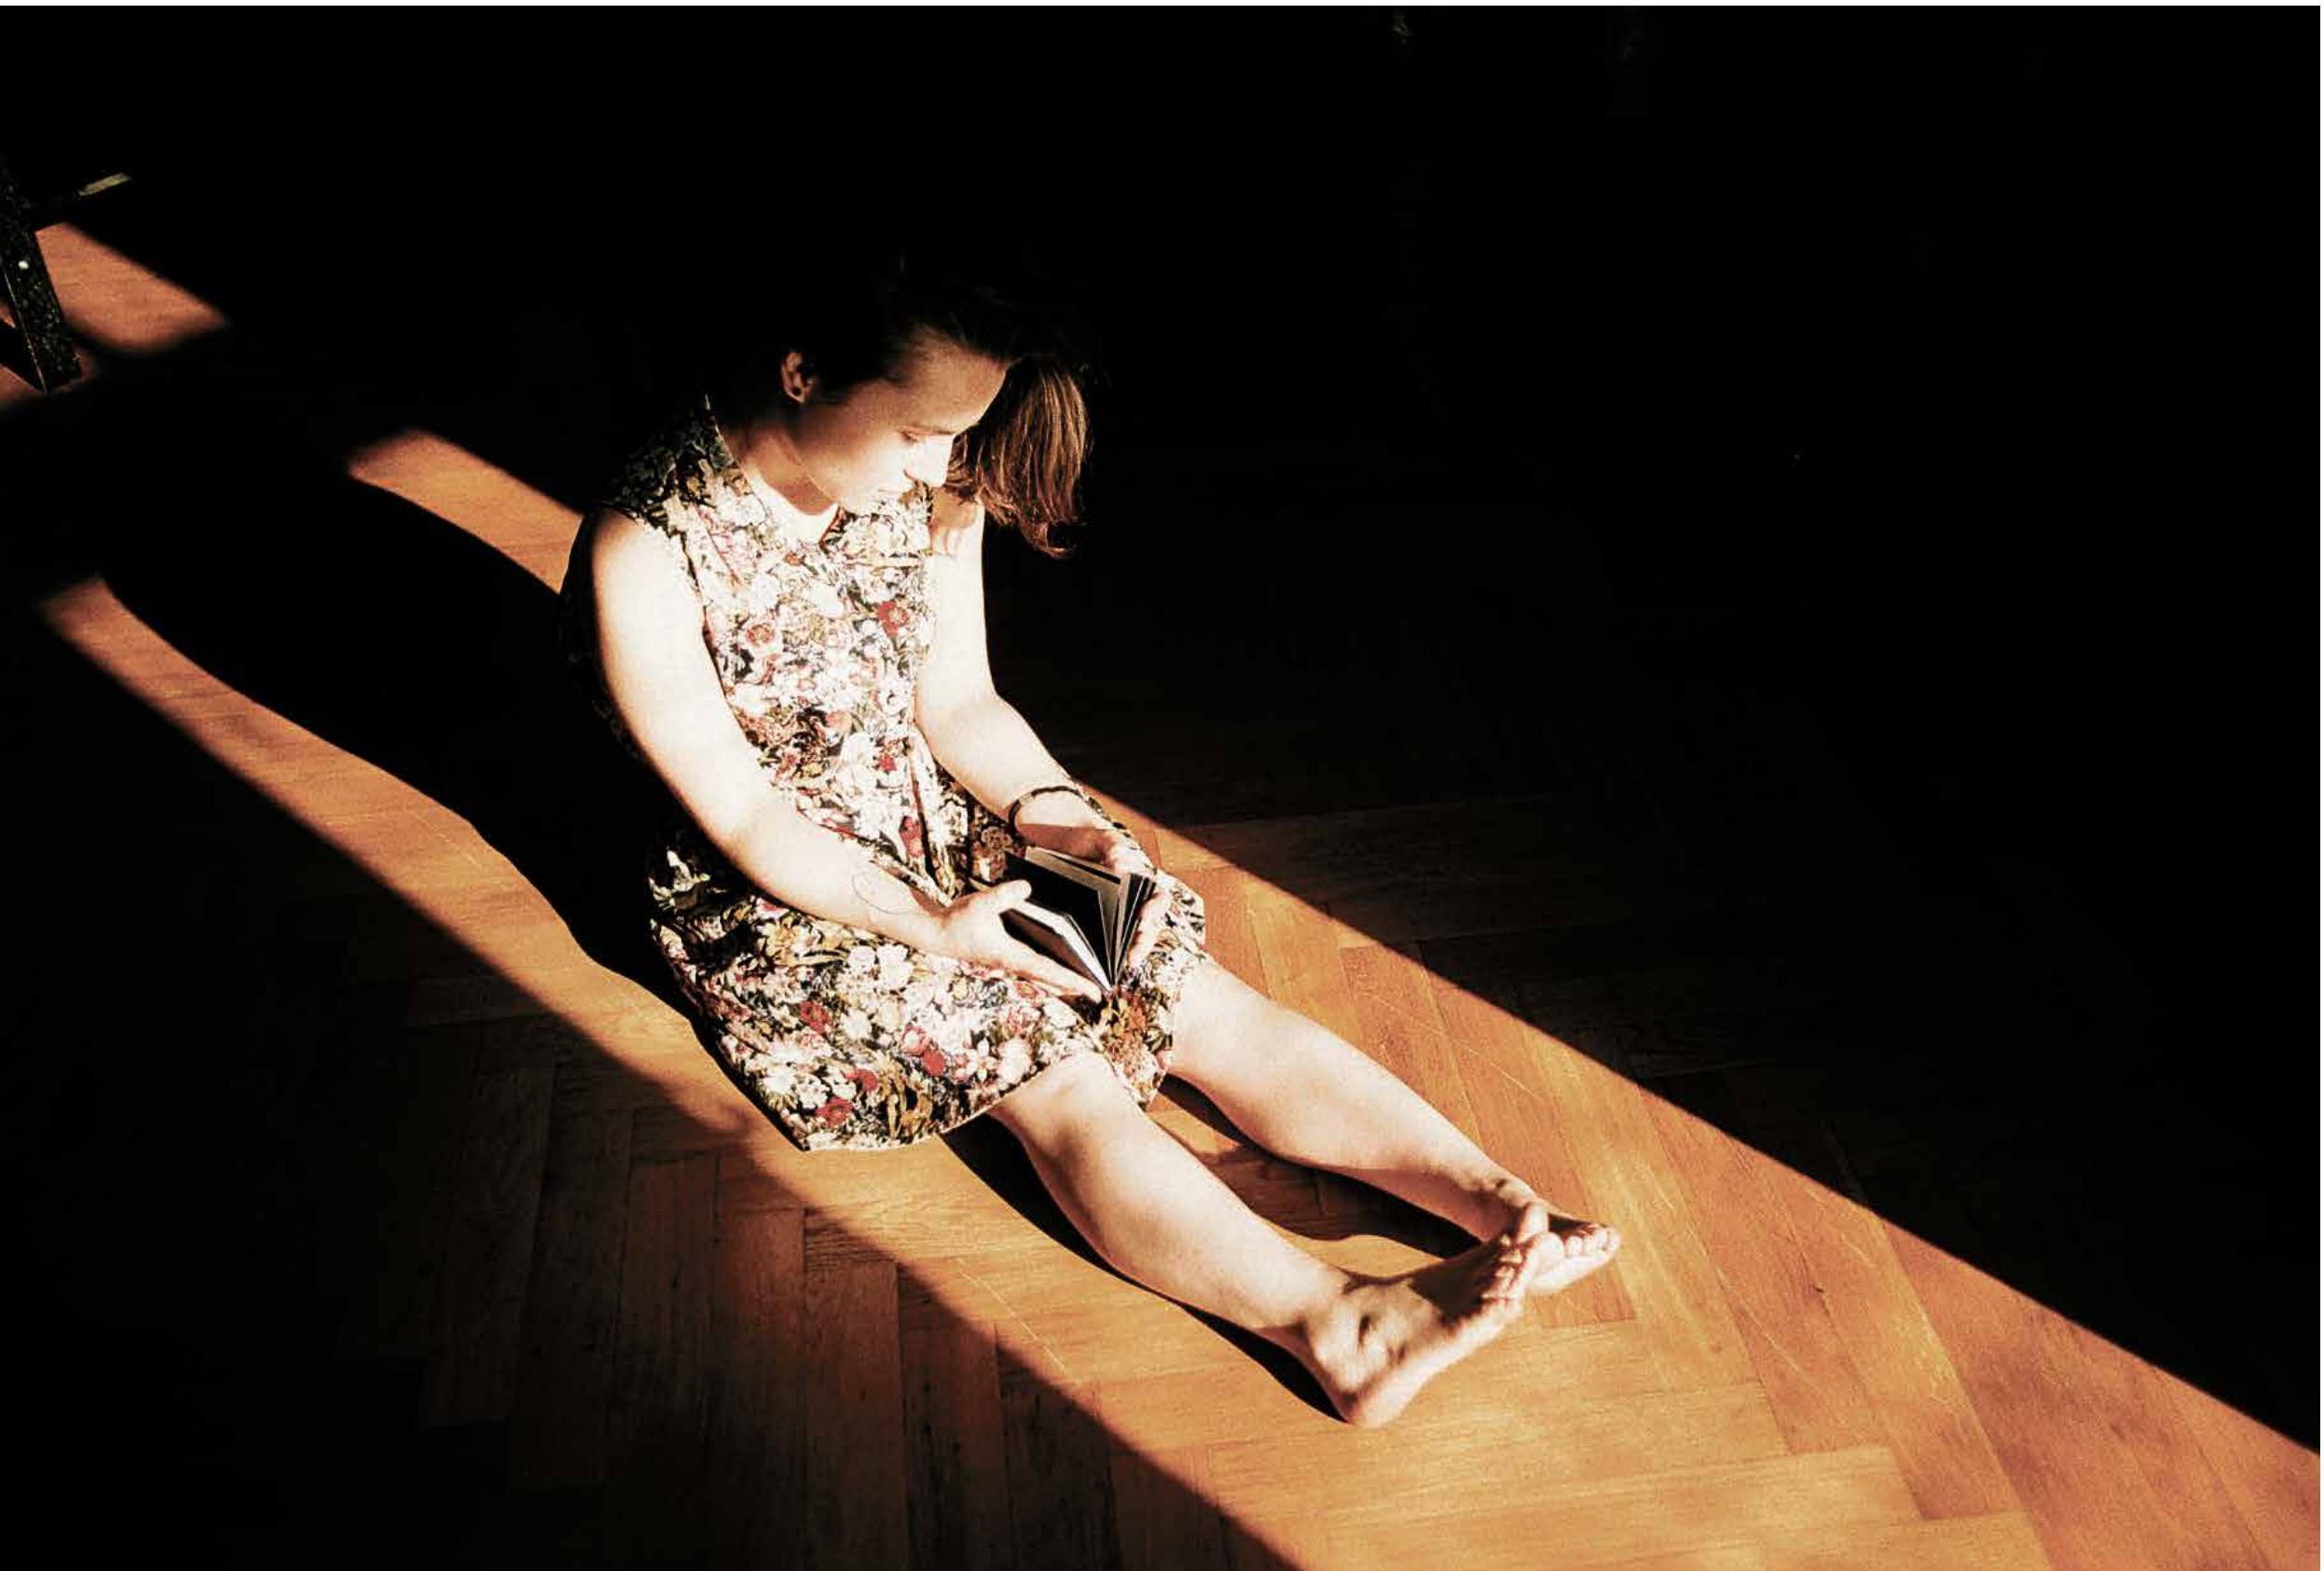

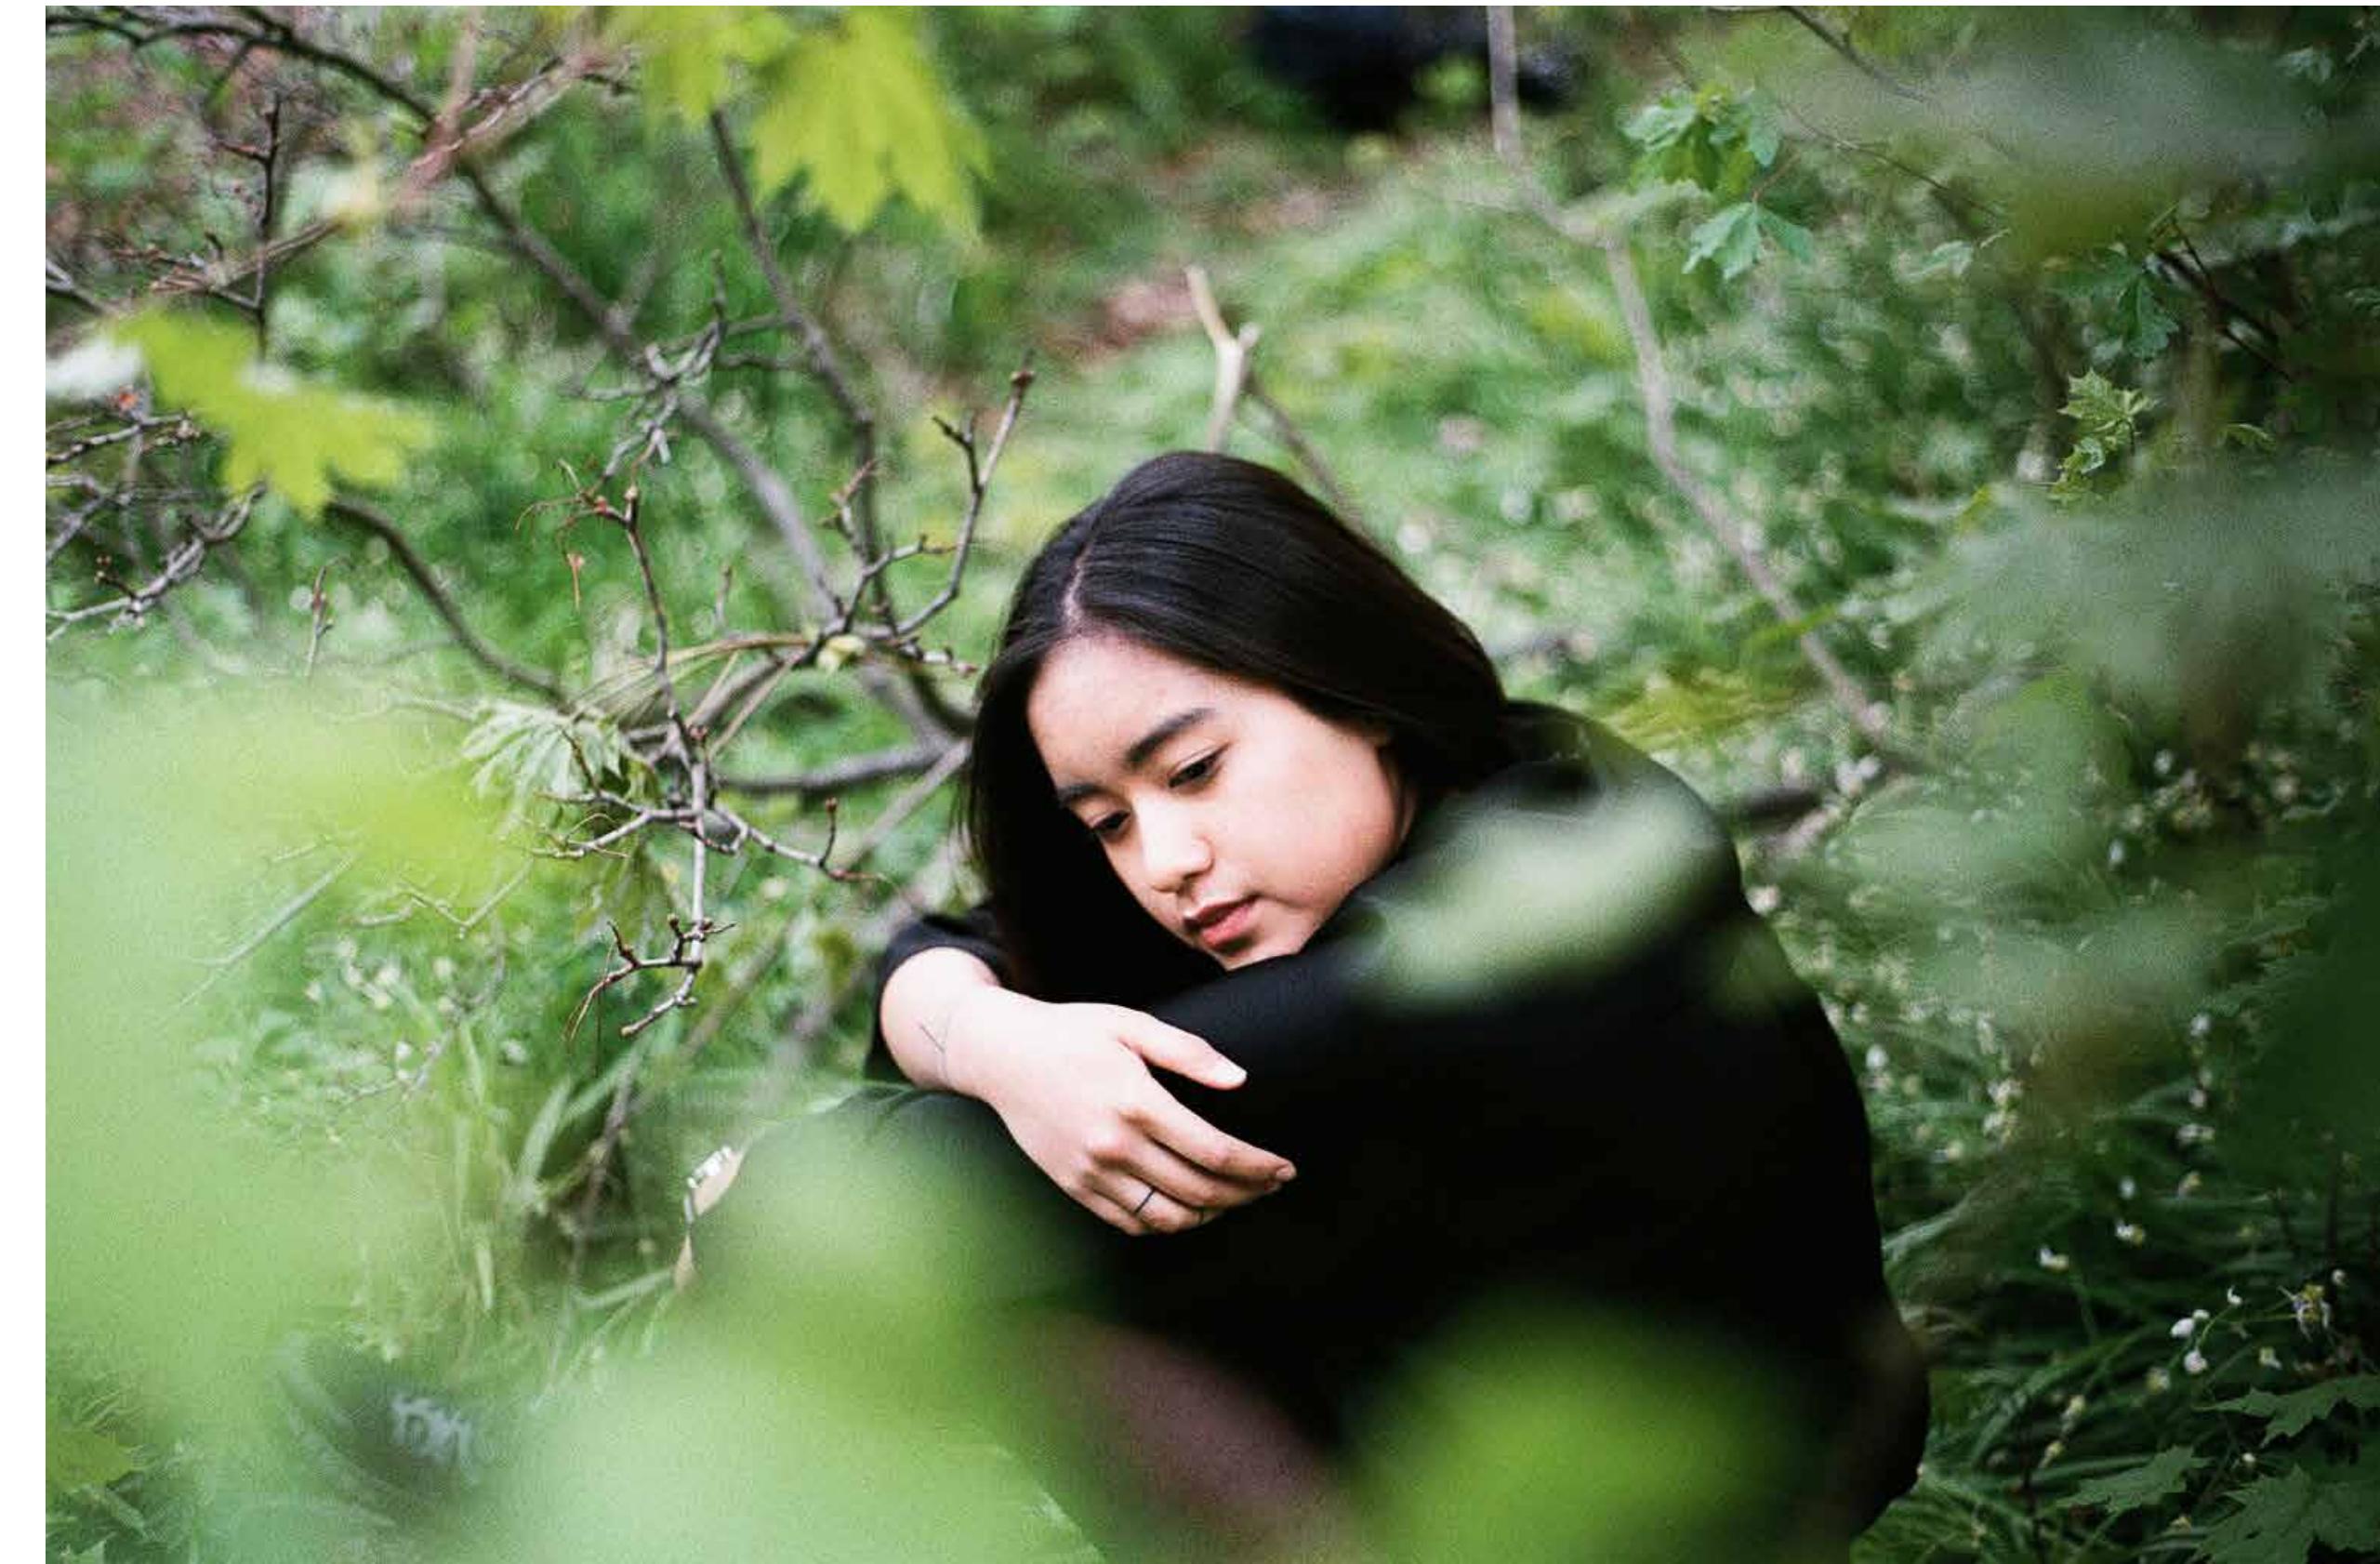

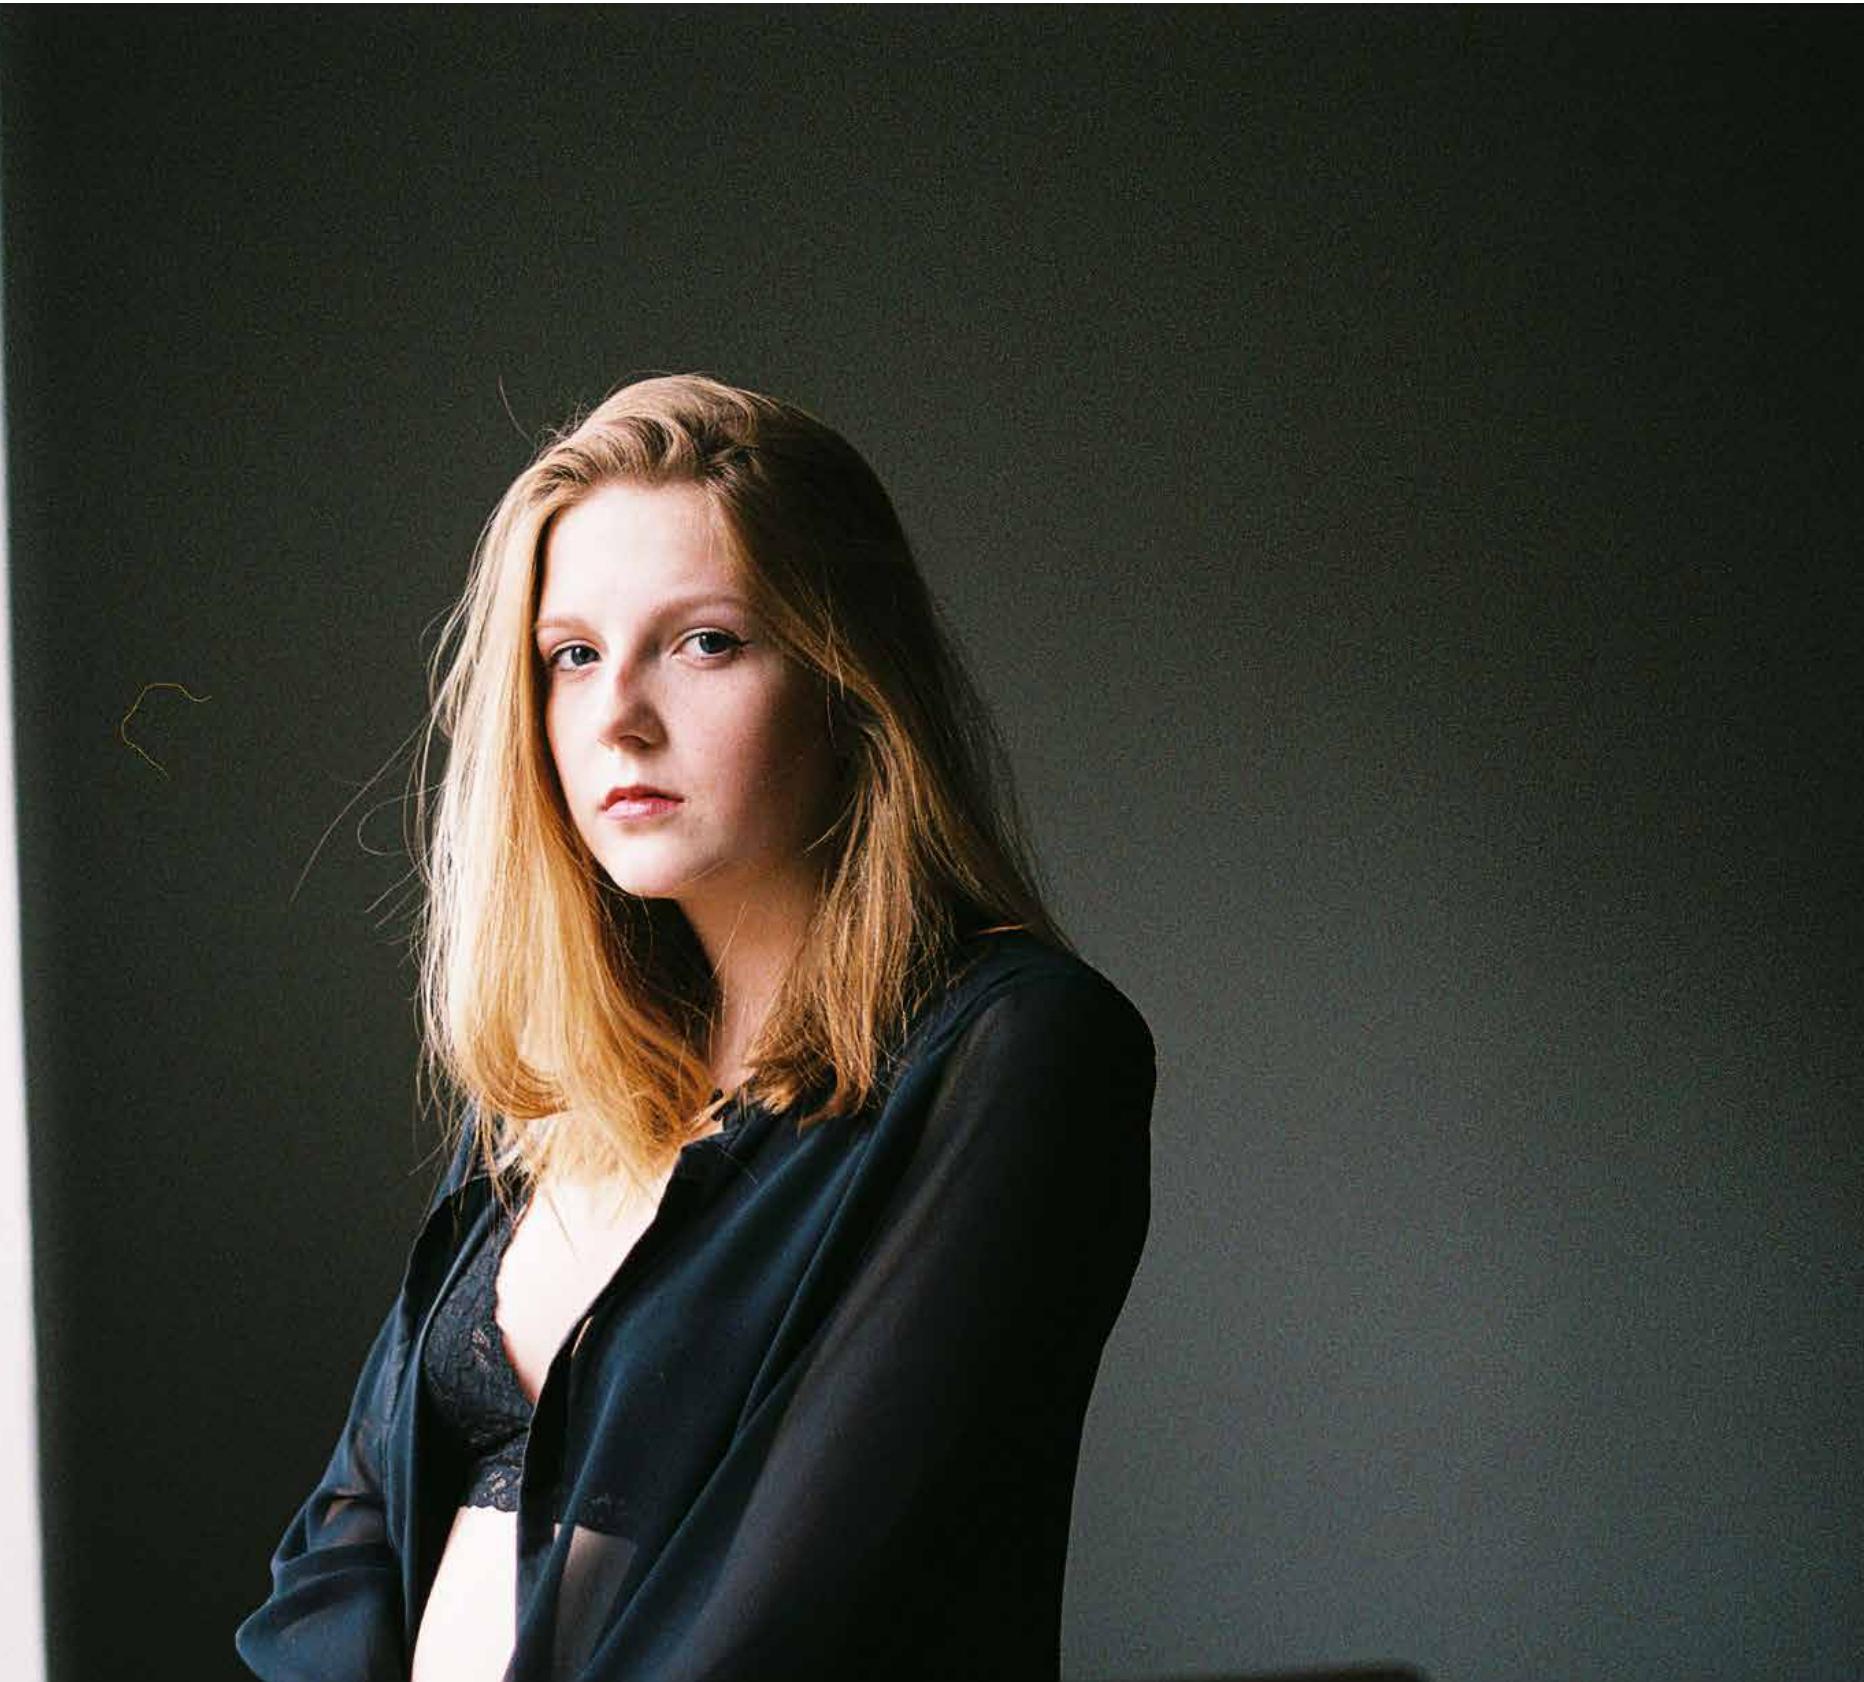

# Film industry wasn't the right choice

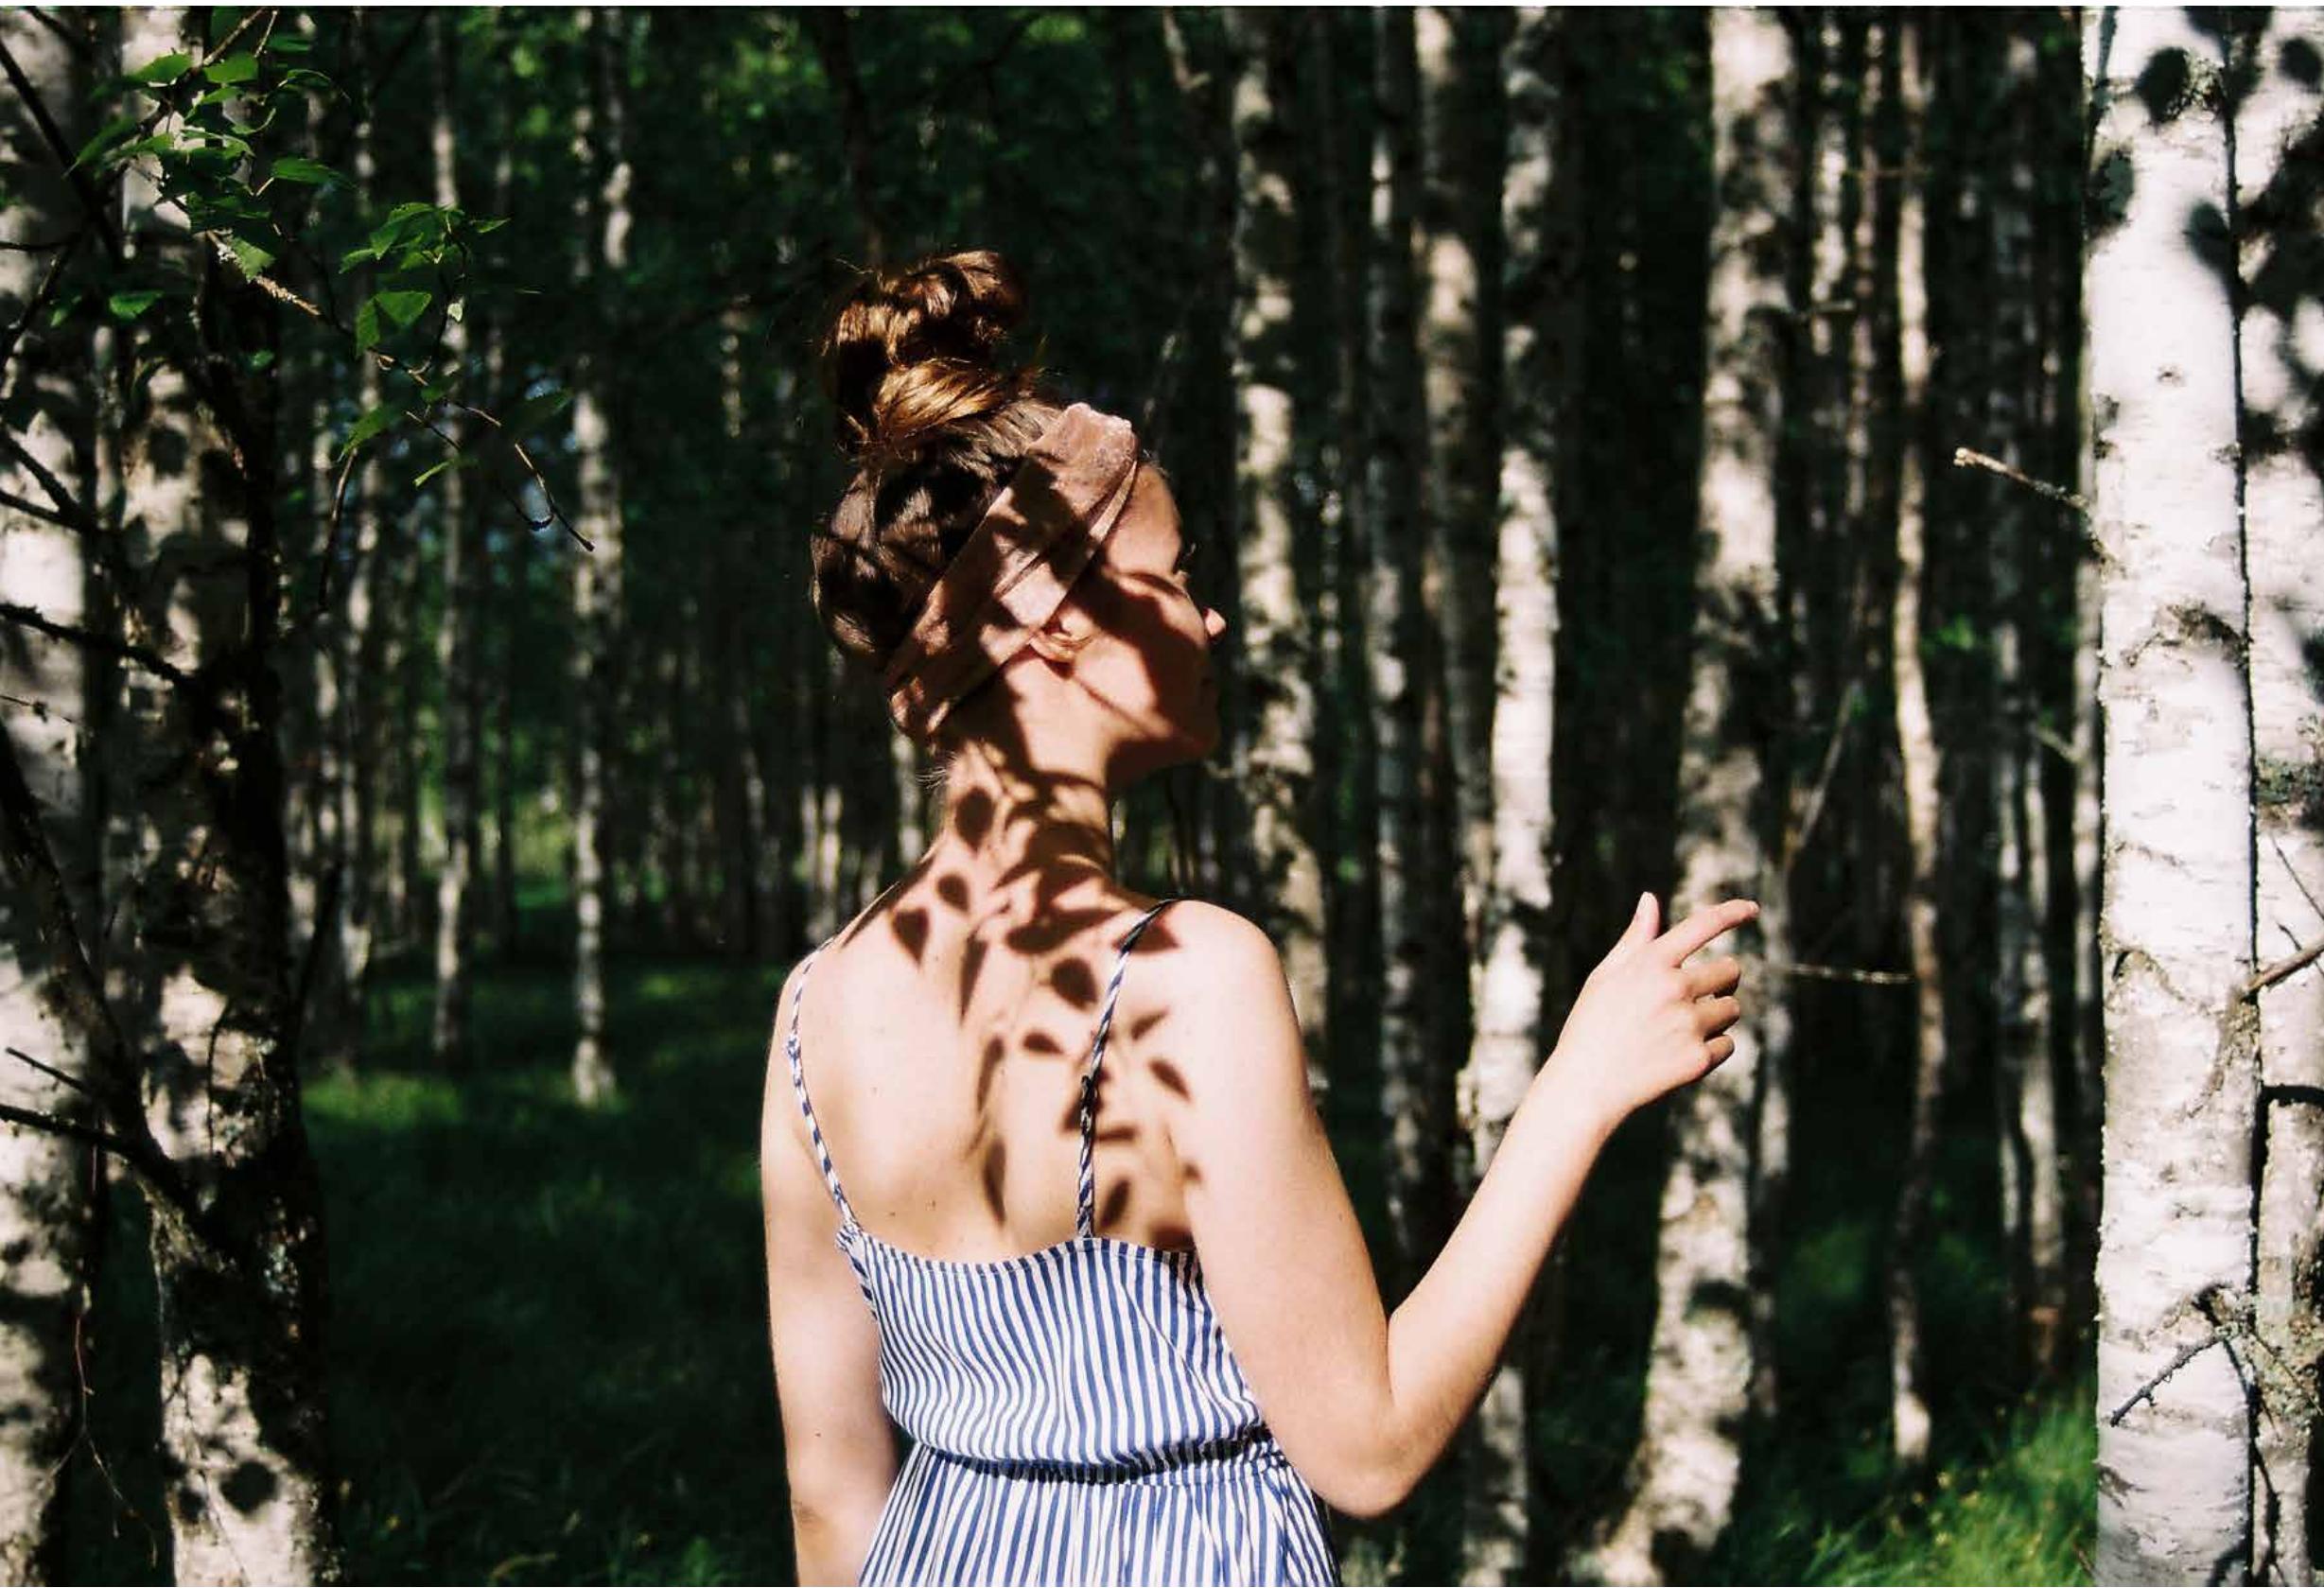

**Most of the time I shoot  
my friends, family and things that are important for me**

# Thank you for your attention
